The Malmesbury Marlins ASC may wish to take photographs and videos of individuals and groups of swimmers under the age of 18 that may include your child during their membership of the club.

The photographs may be used on our club website, member's only Facebook group, local newspaper articles and club notice board. The videos are used for training purposes only, for example to provide feedback to swimmers on their technique, and are then permanently deleted. Videos may be taken at any of our sessions by coaches or poolside assistants.

Occasionally a professional photographer (approved by the club) will take photographs in competitions / galas / meets / club events.

All photographs will be taken and published in line with the Swim England Photography Policy.

Malmesbury Marlins ASC requires parental/member consent to take and use all photographs and videos.

Parents/members have a right to refuse agreement to themselves/their child being photographed and videoed.

Please note you can withdraw your consent in writing to the Membership Secretary at any time should you wish to
